Section 2.3 Title to Lot. Title to a Lot may be held individually or in any form of concurrent ownership recognized in the State of Colorado. Any contract of sale, deed, lease, deed of trust, mortgage, security interest, will or other instrument affecting a Lot may describe it by its designation as shown on a Plat, followed by the name of the development, and reference to the Plat by which the Lot was created. Every such description shall be good and sufficient for all purposes to sell, convey, transfer, encumber or otherwise affect a Lot and all appurtenant rights, benefits and burdens thereto as created by the provisions of this Declaration, and each such description shall be so construed.

Section 2.4 Owner's Easements of Enjoyment. Every Owner shall have a right and easement of enjoyment in and to the Common Elements which shall be appurtenant to and shall pass with the title to every Lot, subject to the following provisions:

No Owner, whether one or more persons or entities, shall have more than one membership per Lot owned, but all of the persons or entities owning a Lot shall be entitled to rights of membership and of use and enjoyment appurtenant to ownership of a Lot. Membership in the Association shall be appurtenant to, and may not be separated from, ownership of a Lot. If title to a Lot is held by more than one individual, by a partnership, association, or other legal entity, or any combination thereof, such individuals or entities shall by written instrument, executed by all such parties and delivered to the Association, appoint and authorize one person or alternate persons to represent the Owners of the Lot. Such representative shall be a person who is an Owner, or a designated board member or officer of a corporate Owner, or a general partner of a partnership Owner, or a manager of a limited liability company Owner, or a comparable representative of any other entity, and such representative shall have the power to cast votes on behalf of the Owners as a member of the Association, and serve on the Board of Directors if elected, subject to the provisions of and in accordance with the procedures more fully described in the Bylaws of the Association. Notwithstanding the foregoing, if the Association has not received the written instrument required above and if only one of the multiple

Owners of a Lot is present at a meeting of the Association, such Owner is entitled to cast the vote allocated to that Lot. If the Association has not received the written instrument required above and if more than one of the multiple Owners are present, the Association may assume that any Owner who casts the vote allocated to that Lot is entitled to do so unless one or more of the other Owners of the Lot promptly protest to the person presiding over the meeting. If such protest is made, the vote allocated to the Lot may be cast only by written instrument executed by all of the Owners of the Lot who are present at the meeting.

Section 3.2. Voting Rights and Meetings. Each Lot shall have a single vote. A meeting of the Association shall be held at least once each year. Special meetings of the Association may be called by the President, by a majority of the Board of Directors, or by Owners having twenty percent (20%), or any lower percentage specified in the Bylaws, of the total votes in the Association. Not less than fourteen (14) and no more than fifty (50) days in advance of any meeting, the Secretary or other officer specified in the Bylaws shall cause notice to be hand-delivered or sent prepaid by United States Mail to the mailing address of each Owner. The notice of any meeting must state the time and place of the meeting and the items on the agenda including the general nature of any proposed amendment to this Declaration or Bylaws, any budget changes, and any proposal to remove an officer or member of the Board of Directors. Unless the Bylaws provide otherwise, a quorum is deemed present throughout any meeting of the Association at which persons entitled to cast twenty percent (20%) of the total votes which may be cast for election of the Board of Directors are present, in person or by proxy at the beginning of the meeting.

Section 3.3 Meeting to Approve Annual Budget. At the annual meeting of the Association or at a special meeting of the Association called for such purpose, the Owners shall be afforded the opportunity to ratify a budget of the projected revenues, expenditures, and reserves for the Association's next fiscal year as proposed by the Board of Directors. A summary of the proposed budget adopted by the Board of Directors shall be mailed to the Owners within thirty (30) days after its adoption, along with a notice of a meeting of the Association to be held not less than fourteen (14) nor more than fifty (50) days after mailing of the summary to the Owners. Unless at the meeting a majority of the votes of all Owners, rather than a majority of those votes represented and being voted in person or by proxy, reject the proposed budget, the proposed budget is ratified, whether or not a quorum is present at the meeting. In the event the proposed budget is rejected, the budget last ratified by the Owners shall continue to be in effect until such time as the Owners ratify a subsequent budget proposed by the Board of Directors as provided above.

Section 3.4 Owners' and Association's Addresses for Notices. All Owners of each Lot shall have one and the same registered mailing address to be used by the Association or other Owners for notices, demands, and all other communications regarding Association matters. The Owner or the representative of the Owners of a Lot shall furnish such registered address to the secretary of the Association within ten (10) days after transfer of title to the Lot to such Owner or Owners. Such registration shall be in written form and signed by all of the Owners of the Lot or by such persons as are authorized to represent the interests of all Owners of the Lot. If no address is registered or if all of the Owners cannot agree, then the address of the Lot shall be deemed their registered address

until another registered address is furnished as required under this Section. If the address of the Lot is the registered address of the Owner(s), then any notice shall be deemed duly given if delivered to any person occupying the Unit on the Lot or, if the Unit is unoccupied, if the notice is held and available for the Owners at the principal office of the Association. All notices and demands intended to be served upon the Board of Directors shall be sent to the following address or such other address as the Board of Directors may designate from time to time by notice to the Owner(s):

Board of Directors
Wellington Neighborhood Association
P.O. Box 4626
Breckenridge, CO 80424

Notices given in accordance with this Section may be delivered or sent: by personal delivery, which shall be effective upon receipt; by overnight courier service, which shall be effective one (1) day after deposit with the courier service; or by regular, registered or certified mail, postage prepaid, which shall be effective three (3) days after deposit in the U.S. mail.

Section 3.5 Transfer Information. All purchasers of Lots shall provide to the Association written notice of the purchaser's name, address, Lot owned, date of transfer, and name of the former Owner within ten (10) days of the date of transfer. The purchaser shall also provide a true and correct copy of the recorded instrument conveying or transferring the Lot or such other evidence of the conveyance or transfer as is reasonably acceptable to the Association. In addition, the Association may request such other information as the Association determines is necessary or desirable in connection with obtaining and maintaining information regarding conveyances and transfers of Lots. The Association shall have the right to charge the purchaser a reasonable administrative fee for processing the transfer in the records of the Association.

Section 3.6 Declarants' Control of the Association. Notwithstanding anything to the contrary provided for herein or in the Bylaws, Declarants shall be entitled to appoint and remove the members of the Board of Directors and officers of the Association to the fullest extent permitted under the Act. The specific restrictions and procedures governing the exercise of Declarant's right to so appoint and remove Directors and officers shall be set out in the Bylaws of the Association. Declarants may voluntarily relinquish such power evidenced by a notice recorded in the Summit County, Colorado real estate records, but, in such event, Declarant may at its option require that specified actions of the Association or the Board as described in the recorded notice, during the period Declarants would otherwise be entitled to appoint and remove Directors and officers, be approved by Declarants before they become effective.

Each such assessment, together with interest, costs, and reasonable attorney fees, shall also be the personal obligation of the person, or entity, who was the Owner of such Lot at the time when the assessment fell due. The personal obligation for delinquent assessments shall not pass to an Owner's successors in title unless expressly assumed by them.

Section 5.2 Purposes of Assessments. The assessment levied by the Association shall be used exclusively: to promote the health, safety, and welfare of the residents within the Property; for the improvement, maintenance and repair of the Common Elements including landscaped areas and sprinkler or irrigation systems therefor, alleys, parking areas and any other Improvements located therein or thereon; for the maintenance and repair of signs wherever located; and for the selected improvement, maintenance and repair of driveways, sidewalks, paths, fences, yards, landscaped

Section 5.3 Annual Assessments.

(a) Annual assessments shall be made for the purposes of providing funds for the normal operations of the Association including, but not limited to: the purposes set forth in **Section 5.2** above; salaries; costs of operating the Association; insurance premiums for insurance coverage provided for in **Article IX**; management fees; office costs; adequate reserve funds for maintenance, repair and replacement of alleys and those portions of the Common Elements that must be replaced on a periodic basis; Improvements to the Common Elements; amounts necessary to pay deficits or debts incurred by the Association; real estate taxes; betterment or other special assessments, if any; and funds for any other purpose or purposes of the Association provided for herein. The total amount of money required to be raised by annual assessments for each fiscal year shall be the amount, as determined by the Board, necessary to satisfy the costs and expenses of fulfilling such functions and obligations of the Association in such fiscal year, including the payment of reserves, and providing a reasonable carry-over reserve for subsequent fiscal years. To determine the amount required to be raised by annual assessments for any fiscal year, the Board shall prepare an annual budget for such fiscal year showing, in reasonable detail, the various matters proposed to be covered by the budget, the estimated income and other funds which will be available in that fiscal year, the estimated total amount of money required to be raised by annual assessments to cover such costs and expenses and to provide a reasonable reserve, and the estimated apportionment of the assessments among the Lots. The Board of Directors shall furnish a summary of such budget to the Owners and shall set a date for a meeting of the Owners to consider the ratification of such budget as required by **Section 3.3** above or by the Act. Upon request, the Board will furnish a summary of the most recently adopted budget to any Mortgagee. Based on such budget, the Board of Directors shall determine the amount of the annual assessment per Lot for such fiscal period.

(b) If the Board shall fail to establish an annual assessment for any year, the annual assessment for such year shall remain the same as for the year immediately preceding, except that, upon Approval by the Board or by a majority vote of the entire membership of the Association, such annual assessment may be increased or decreased for the remainder of the assessment year as of the first day of the month following such vote.

To determine the amount required to be raised by each supplementary assessment, the Board shall revise the annual budget for such fiscal year as provided in **Section 5.3**, or prepare a new budget, a summary of which shall be furnished to each Owner and shall set a date for a meeting of the Owners to consider the ratification of such budget as required by **Section 3.3** above or by the Act. Section 5.6 Assessment Reserves. Each Owner, other than Declarants, shall be required to deposit and maintain continuously with the Association an amount as determined by the Board from time to time, but not to exceed three (3) times the amount of the monthly installments of the annual assessment, such reserve amount to be held without interest accruing to the Owner. This amount shall be used by the Association as a reserve for payment of each Owner's assessments and for working capital of the Association. The advance payment shall not relieve an Owner from making the regular payments of the annual assessments, or any portion thereof, as same become due, nor shall the Association be required to deduct from such advance payment sums due for annual assessments by an Owner prior to instituting any proceedings against the Owner for delinquent assessments. In the event the Association shall, pursuant to the purposes of this Article, draw delinquent assessments from the reserve created by such advance payment applicable to an Owner, the Owner expressly agrees, following ten (10) days prior written notice from the Association, to repay such amounts to the Association in order to properly maintain the reserve account, and such amount to be repaid shall have the same status as an annual, supplementary or special assessment for purposes of **Article V** of this Declaration. Upon the sale of a Lot, an Owner shall be entitled to a credit from his grantee for the remaining balance of such reserve account applicable to the Owner's Lot.

Section 5.7 Uniform Rate of Assessments. Annual, supplementary and special assessments for each Lot shall be uniform and shall be determined by dividing the total assessment by the total number of Lots that have received certificates of occupancy from the Town of Breckenridge. No Lot shall be subject to assessment until a certificate of occupancy has been issued by the Town of Breckenridge for that Lot.

Section 5.8 Date of Commencement of Annual Assessments; Due Dates. The Annual Assessments provided for herein shall commence as to each Lot on the first day of the month

following the issuance of a certificate of occupancy for each such Lot. Written notice of assessments shall be sent to every Owner.

Section 5.9 Certificate of Status of Assessment. Section 5.10 Effect of Nonpayment of Assessments; Remedies of the Association. Any assessment or installment not paid within fifteen (15) days after the due date shall bear interest from the due date at the highest rate allowed by the Act. In addition, the Board may establish by resolution a reasonable delinquent or late charge for any assessment not paid when due. The Association may bring an action at law against the Owner personally obligated to pay the same, or foreclose the Association's lien against the Lot, or both. No Owner may waive or otherwise escape liability for the assessments provided for herein by non-use of the Common Elements or abandonment of his Lot. In addition to any other remedies herein or by law provided, the lien herein established may be foreclosed by an action in the Summit County, Colorado District Court in the manner of foreclosure of common law mortgages, pursuant to the law and statutes of the State of Colorado, and subject to all the rights and duties therein provided, including redemption. In any civil action to enforce or recover unpaid assessments, the prevailing party shall be entitled to an award of reasonable attorney fees and all costs of collection or foreclosure.

Section 5.11 Subordination of the Lien Mortgages. Except as provided in **Section 5.1(b)(2)**, the lien for assessments provided for herein shall be subordinate to the lien of any purchase money loan evidenced by a Mortgage of record and to any executory land sales contract wherein the Administrator of Veterans Affairs (Veterans Administration) is seller, whether such contract is owned by the Veterans Administration or its assigns, and whether such contract is recorded or not. Sale or transfer of any Lot shall not affect the lien for said assessments, except that sale or transfer of any Lot pursuant to foreclosure of any such Mortgage or any such executory land sales contract, or any proceeding in lieu thereof, including deed in lieu of foreclosure, or cancellation or forfeiture of any such executory land sales contract shall extinguish the lien of assessment charges which became due prior to any such sale or transfer, or foreclosure, or any proceeding in lieu thereof, including deed in lieu of foreclosure, or cancellation or forfeiture of any such executory land sales contract. No such sale, transfer, foreclosure, or any proceeding in lieu thereof, including deed in lieu of foreclosure, nor cancellation or forfeiture of any such executory land sales contract shall relieve the Lot from liability for any assessment charges thereafter becoming due, nor from the lien thereof. Nothing herein shall be deemed to release any owner from his personal obligation to pay any assessment.

Section 5.12 Homestead. The lien of the Association for unpaid assessments shall be superior to any homestead exemption as is now or may hereafter be provided by Colorado or Federal law. The acceptance of a deed to any Lot subject to this Declaration shall constitute a waiver of the homestead exemption as against said assessment lien.

Section 5.13 Recording of Liens. The board may immediately record a lien against all Lots owned by an Owner who fails to pay an assessment installment within sixty (60) days of becoming due.

At all times each Owner shall also be responsible for obtaining insurance for all of the Owner's personal property and furnishings, and, except as provided by this Article, the Association shall not be responsible for providing any such insurance. All liability, loss, damage, cost and expense incurred or suffered by the Association by reason of or arising out of or in connection with the foregoing indemnification provisions shall be treated and handled by the Association as a common expense, provided, however, that nothing in this Section shall be deemed to obligate the Association to indemnify any member or Owner who is or has been a director, officer or property manager of the Association with respect to any duties or obligations assumed or liabilities incurred by him as a member or Owner under and by virtue of this Declaration.

(b) No Indemnification of Independent Contractors. No independent contractor, including a director, officer, member or owner providing services to the Association as an independent contractor, shall be protected by this indemnification provision, any indemnification provision provided for in the Bylaws of the Association or any insurance policy obtained by the Association in relating to any such indemnification provision.

ARTICLE X
CONDEMNATION

Section 10.1 Consequences of Condemnation. If at any time or times pursuant to this Declaration, all or any part of the Common Elements shall be taken or condemned by any public authority, or sold or otherwise disposed of in lieu or in avoidance of such condemnation, the provisions of this Article shall apply.

Section 10.2 Proceeds. All compensation, damages, or other proceeds therefrom, the sum of which is hereafter called the "Condemnation Award", shall be payable to the Association, which may distribute the Condemnation Award to the owners or apply such proceeds to the payment of the expenses of the Association in lieu of such distribution. If an allocation of the condemnation award is already established in negotiation, judicial decree, or otherwise, then in allocating the condemnation award the Association shall employ such allocation to the extent it is relevant and applicable. Disbursement of apportioned proceeds shall be made by checks payable jointly to the respective Owners and their respective Mortgagees.

Section 10.3 Reorganization. In the event a partial taking results in the taking of a complete Lot, the Owner thereof automatically shall cease to be a member of the Association and such Owner's interest shall thereupon terminate.

ARTICLE XI SPECIAL CONSIDERATIONS

Section 11.1 Sixty-Seven Percent Vote. Except as otherwise provided herein, unless at least sixty-seven percent (67%) of the Owners of the Lots (based upon one vote for each Lot) on the Property have given their prior written approval, the Association shall not:

- (a) by act or omission seek to abandon, partition, subdivide, encumber, sell or transfer the Common Elements for the benefit of the Lots, provided, however, that the granting of easements for public utilities or for other public purposes consistent with the intended use of such Common Elements shall not be deemed a transfer within the meaning of this clause;
- (b) change the method of determining the obligations, assessments, dues or other charges which may be levied against a Lot or an Owner;
- (c) by act, or omission change, waive or abandon any scheme of regulations, or enforcement thereof, pertaining to the architectural design or the exterior appearance of Buildings or Units, or the maintenance of the Common Elements;

- (e) use hazard insurance proceeds for losses to any Private Open Space or other property for other than the repair, replacement or reconstruction of such property.

Section 11.2 Majority Vote. In all other respects, the affirmative vote of a majority of the membership represented at a meeting of the Association and entitled to vote on the subject matter

shall be the act of the Association unless another number is specifically designated as the required affirmative vote by the specific provision of this Declaration under consideration.

ARTICLE XII RIGHTS OF MORTGAGEES

Section 12.1 Payment of Taxes. Mortgagees of Lots may, jointly or singly, pay taxes or other charges which are in default and which may or have become a charge against any Common Element and may pay overdue premiums on hazard insurance policies or secure new hazard insurance coverage on the lapse of a policy, for such Common Element and the Mortgagees making such payment shall be owed immediate reimbursement therefor from the Association. Upon request, the Association shall execute an agreement with a Mortgagee evidencing its entitlement to such reimbursement.

Section 12.2 Priority to Proceeds. Neither the Owner, nor any other party shall have priority over any rights of the Mortgagee of a Lot in the case of a distribution to such owner of insurance proceeds or any Condemnation Award for losses to or a taking of Common Elements.

Section 12.3 Notification of Default. A Mortgagee is entitled, upon request, to written notification of any default in the performance by an Owner of any obligation under this Declaration which is not cured within sixty (60) days.

ARTICLE XIII SPECIAL DECLARANTS RIGHTS AND ADDITIONAL RESERVED RIGHTS

Section 13.1 Special Declarants Rights. Declarants hereby reserves the right, from time to time, to perform the acts and exercise the rights hereinafter specified (the "Special Declarants Rights"). Declarants's Special Declarants Rights include the following:

(a) Completion of Improvements. The right to complete the Improvements constituting the Project and indicated on the Master Plan including the right to store materials and place construction trailers and a temporary construction office on the Property and to make such other use of the Property as may be reasonably necessary to complete construction of the Project.

(b) Sales Management and Marketing. The right to maintain a sales office and model, or combined sales office and model, and the right to maintain signs advertising the Project within the Common Elements until Declarants has conveyed all of its Lots. The sales office and model, or combined sales office and model, may be in any one of the Units, which may or may not be specified on a Plat. Declarants shall have the right to relocate the sales office, model or combined sales office and model from one Unit to another.

(c) Construction Easements. The right to use easements through the Common Elements for the purpose of making Improvements within the Project.

(d) Control of Association and Board of Directors. The right to appoint or remove any officer of the Association or any member of the Board of Directors, to the extent permitted under the Act and provided for in the Bylaws.

(e) Signs. The right to maintain signs on the Common Elements advertising the Project.

Section 13.2 Additional Reserved Rights. In addition to the Special Declarants Rights set forth in **Section 13.1** above, Declarants also reserves the following additional rights (the "Additional Reserved Rights"):

(a) Dedications. The right from time to time to establish, by dedication or otherwise, and to vacate, utility and other easements for purposes including, but not limited to, streets, paths, walkways, drainage, recreation areas, parking areas, driveways, and to create other reservations, exceptions, and exclusions for the benefit of and to serve the Owners within the Project.

(b) Use Agreements. The right to enter into, establish, execute, amend, and otherwise deal with contracts and agreements for the use, lease, repair, maintenance, or regulation of parking and/or recreational facilities, which may or may not be a part of the Project for the benefit of the Owners and/or the Association.

(c) Easement Rights. The rights to an easement over, across and through the Common Elements as may be reasonably necessary for the purpose of discharging Declarants's obligations arising under this Declaration or the Act.

(d) Other Rights. The right to exercise any Additional Reserved Rights created by any other provision of this Declaration.

Section 13.3 Limitations on Special Declarants Rights and Additional Reserved Rights. Unless sooner terminated by an amendment to this Declaration executed by the Declarants, any Special Declarants Rights or Additional Reserved Rights may be exercised by the Declarants anywhere on the Property or within the Improvements so long as the Declarants (a) owns any Lot; (b) holds a security interest in any Lot; or (c) for twenty-five (25) years after the date of recording this Declaration, whichever eventuality grants to Declarants the longest possible period for exercise of Special Declarants Rights and Additional Reserved Rights.

Section 13.4 Interference with Special Declarants Rights. Neither the Association nor any Owners may take any action or adopt any Rule and/or Regulation that will interfere with or diminish any Special Declarants Rights or Additional Reserved Rights without the prior written consent of

the Declarants. In the event any controversy, dispute, or litigation involving exercise of the reserved Special Declarants Rights by Declarants, this Declaration shall be interpreted so as to give the Declarants the broadest, most flexible Special Declarants Rights allowed by the Act.

Section 13.5 Rights Transferable. Any Special Declarants Rights or Additional Reserved Rights created or reserved under this Article for the benefit of Declarants may be transferred to any person by an instrument describing the rights transferred and recorded in the Records. Such instrument shall be executed by the transferor Declarants and the transferee.

ARTICLE XIV RESERVATION OF EXPANSION AND DEVELOPMENT RIGHTS

Section 14.1 Expansion Rights. Declarant expressly reserves the right to subject all or any part of the Property designated as Lots 1, 2, 3 and 4, Block 6 on the Preliminary Plat described in **Section 1.17** (the "Expansion Property") to the provisions of this Declaration upon the substantial completion of the Improvements on the Expansion Property. The consent of the existing Owners, Mortgagees or other holders of Security Interests shall not be required for any such expansion, and Declarant may proceed with such expansion without limitation at its sole option.

Section 14.2 Development and Withdrawal Rights. Declarant expressly reserves the right to create Lots, Common Elements and Easements to combine Lots and to subdivide Lots, on all or any portion of the Expansion Property reserved for future development in this Declaration or on a Plat. Declarant may exercise any or all of the expansion and development rights reserved in this Declaration at any time with respect to any part or all of the Expansion Property. No assurances are made with respect to the boundaries of any parcel that may be developed or the order in which any parcel may be developed. Exercise of any expansion and development right with respect to any one parcel does not require the exercise of any such rights on any other parcel of the Expansion Property. No assurances are made, however, that any further development will occur. If all or any part of the Expansion Property is submitted to this Declaration, this right to reserve property for future development shall apply to such property as well. Declarant expressly reserves the right to withdraw all or any portion of the Expansion Property that is reserved for future development in this Declaration or on a Plat from the Project by recording a document signed by the Declarant and evidencing such withdrawal in the Summit County, Colorado real estate records; provided, however, that no portion of such property may be withdrawn after a Lot in that portion of the property that has been added has been conveyed to a purchaser. The Declarant alone is liable for all expenses in connection with Expansion Property, except for expenses for maintenance and preservation of any Common Elements or Easements, or other property rights thereon created for the benefit of, and added by grant or otherwise to, the Project, which expenses shall be a common expense included within the assessments made by the Association.

Section 14.3 Amendment of this Declaration. If Declarant elects to submit the Expansion Property, or any part thereof, to this Declaration, Declarant shall record an Amendment to this Declaration containing a legally sufficient description of the Expansion Property, or the part thereof

so added. The Amendment to this Declaration may contain such other provisions, restrictions and requirements relating to the Expansion Property as Declarant deems necessary or desirable.

Section 14.4 Supplement to the Map. Declarant shall, contemporaneously with the filing of the Amendment of this Declaration, file an amended or supplemental Plat showing the location of the Lots created on the Expansion Property, and substantially conforming to the requirements contained in this Declaration.

Section 14.5 Interpretation. Upon the recording of an Amendment to this Declaration, the definitions used in this Declaration shall automatically be extended to encompass and to refer to the Project as expanded. The Expansion Property, or any part thereof, shall be added to and become a part of the Property for all purposes. All conveyances of Lots after such expansion shall be effective to, transfer rights in all Common Elements, as expanded. Reference to this Declaration in any instrument shall be deemed to include all Amendments to this Declaration without specific reference thereto.

Section 14.6 Maximum Number of Units. The maximum number of Lots in the Project shall not exceed three hundred (300) or, if allowed by the Act, the maximum number of Lots allowed by any governmental entity having jurisdiction over the Property and the Expansion Property, pursuant to any development plan for the Property and the Expansion Property. Declarant shall not be obligated to expand the Project beyond the number of Lots initially submitted to this Declaration.

Section 14.7 Construction Easement. Declarant expressly reserves the right to perform warranty work, repairs and construction work and to store materials in secure areas, in Lots and in Common Elements, and the future right to control such work and repairs, and the right of access thereto, until completion thereof. All work may be performed by Declarant without the consent or approval of any Owner or Mortgagee. Declarant hereby reserves such easements through the Common Elements as may be reasonably necessary for the purpose of discharging Declarant's obligations and exercising Declarant's reserved rights in this Declaration. Such easements include the right to construct underground utility lines, pipes, wires, ducts, conduits, and other facilities across the Property for the purpose of furnishing utility and other services to Buildings and Improvements to be constructed on any of the Expansion Property reserved for future development. Declarant's reserved construction easements include the right to grant easements to public utility companies and to convey Improvements within those easements anywhere in the Common Elements.

Section 14.8 Reciprocal Easements. If all or any part of the Expansion Property is not submitted to this Declaration, and until such time as such submission should occur if at all:

- (a) the owner(s) of the Expansion Property shall have whatever easements are necessary or desirable, if any, for access, utility services, repair, maintenance and emergencies over and across the Property; and

(b) the Owner(s) in the Project shall have whatever easements are necessary or desirable, if any, for access, utility services, repair, maintenance and emergencies over and across the Expansion Property.

Declarant shall prepare and record in the Summit County, Colorado real estate records whatever documents are necessary to evidence such easements, if any, and shall amend Exhibit B to this Declaration to include reference to the recorded easement(s). Such recorded easements shall specify that the owners of the Expansion Property and the Owners in the Project, shall be obligated to pay a proportionate share of the cost of the operation and maintenance of any easements utilized by either one of them on the other's property upon such reasonable basis as the Declarant shall establish in the easement(s) so created. Preparation and recordation by the Declarant of any easement pursuant to this Section shall conclusively determine the existence, location, extent and validity of the reciprocal easements that are necessary or desirable and as contemplated in this Section.

Section 14.9 Termination of Expansion and Development Rights. The expansion and development rights reserved to Declarant, for itself, its successors and assigns, shall expire twenty-five (25) years after the date of recordation of this Declaration in the Summit County, Colorado records, unless the expansion and development rights are reinstated or extended by the Association, subject to whatever terms, conditions and limitations the Board of Directors may impose on the subsequent exercise of the expansion and development rights by Declarant as provided by the Act.

Section 14.10 Interference with Expansion or Development Rights. Neither the Association nor any Owner may take any action or adopt any Rule or Regulation that will interfere with or in any manner limit or diminish any expansion or development right reserved by this **Article XIV** without the prior written consent of the Declarant. In the event of any controversy, dispute or litigation involving exercise of the reserved expansion or development rights by Declarant, this Declaration shall be interpreted so as to give the Declarant the broadest, most flexible expansion or development rights allowed by the Act.

Section 14.11 Transfer of Expansion or Development Rights. Any expansion or development rights created or reserved under this **Article XIV** for the benefit of the Declarant may be transferred to any person by an instrument describing the rights so transferred and recorded in the Summit County, Colorado real estate records. Such instrument shall be executed by the transferor Declarant and the intended transferee.

ARTICLE XV GENERAL PROVISIONS

Section 15.1 Enforcement. The Association, or any Owner, shall have the right to enforce by any proceeding at law or in equity, all restrictions, conditions, covenants, reservations, liens, and charges now or hereafter imposed by the provisions of this Declaration. Failure by the Association or by any Owner to enforce any provision, covenant, or restriction herein contained shall in no event

be deemed a waiver of the right to do so thereafter. In any civil action to enforce any provision, covenant, or restriction, the prevailing party shall be entitled to an award of reasonable attorney fees.

Section 15.2 Severability. Invalidation of any one or more of these covenants or restrictions by judgment or court order shall in no way affect any other provision which shall remain in force and effect.

Section 15.3 Term. This Declaration, and any amendments or supplements thereto, and all covenants, conditions and restrictions provided for therein, shall run with the land and be binding and in full force and effect in perpetuity, subject to the termination provisions hereof and of the Act.

Section 15.4 Declaration Amendment. Declarants, for a period of five (5) years from the date of recording of this Declaration, may make such minor and technical amendments to this Declaration as Declarants deems appropriate. Except to the extent that this Declaration and the Act expressly permit or require amendments that may be executed by the Declarant or by the Association, this Declaration, and any amendment or supplement thereto and any Plat, may be amended by a vote or agreement of Owners having at least sixty-seven percent (67%) of the votes in the Association. Any amendment by such a vote of the Owners may be executed by an officer of the Association designated for that purpose or, in the absence of a designation, by the president of the Association. The provisions of this Section notwithstanding, no amendment or termination shall be effective during the period of Declarants' control of the Association as provided for in Section 3.6 and no amendment may be made which will interfere with or diminish any of Declarants rights as provided for in **Articles XIII and XIV** hereof.

Section 15.5 Plat Amendment. Declarants reserves the right to amend the Plat described herein so as to make minor adjustments to property lines of property then owned by Declarants as Declarants deems appropriate for a period of five (5) years from the date such Plat is recorded.

Section 15.6 Assignability. Declarants's right hereunder shall be freely assignable.

Section 15.7 No Partition or Subdivision. The Common Elements shall remain undivided, and no owner, other person, or other entity shall bring any action for partition, division, or subdivision of the Common Elements. Similarly, no action shall be brought for partition or subdivision of a Lot or Unit between or among the owners thereof. Each Owner hereby expressly waives any and all such rights of partition or subdivision he may have by virtue of his ownership of a Lot. This Section shall not, however, be interpreted to prevent adjustments to Lot lines agreed to by the Owners of the Lots affected.
